# ABOUT US

## **Performance. Pour it on.**

### **Maximum Performance and Protection for Vehicles and Equipment**

You have a big investment in your equipment — cars, trucks, tractors, dozers, excavators, cranes, generators, ships, rail and more. You need your equipment to work when you work — and look good, too.

That's why we offer a complete line of diesel fuel additives, biodiesel additives, and gas additives formulated to enhance fuel performance and provide critical protection against expensive breakdowns.

We also make performance cleaning solutions to keep vehicles and equipment clean inside and out.

We've been making performance products for over 40 years. Our products provide maximum performance, protection and return on investment for vehicle and equipment professionals worldwide.

### **Product Offering**

We manufacture a proven, comprehensive line of performance enhancing diesel, biodiesel and gas additives and cleaning solutions that meet all the needs of fleet owners and owner operators for cost-effective solutions that reduce breakdowns and routine maintenance, improve mileage and power, and enhance the appearance of vehicles and equipment inside and out. Simply put, we improve performance.

### **Product Performance**

Many manufacturers of specialty chemicals make unsupported product claims. Our specialty chemicals perform as advertised. When we say DIESEL AID totally disperses water, we mean totally. When we say ARTIC POWER provides pour point protection to -15°F, we mean -15°F. When we say E-Z KLEEN removes all dirt and grime, we mean all dirt and grime. These are just some of the ways we improve performance. Please see our other products to learn more about their powerful features and benefits.

### **Customer Service**

E-ZOIL customers have come to rely on the excellent customer service provided by our customer service representatives. Our representatives are trained to identify and then exceed your expectations - before, during, and after your purchase. You may contact us via telephone, fax, or email Monday through Friday from 8:30 to 5:00 EST. We always enjoy hearing from you.

### **Price**

Our specialty chemicals are competitively priced to make certain you receive incredible value.

### **Guarantee**

We stand behind every product we sell. If you're not satisfied, we will replace the product at no charge or refund your purchase price.
